

## FA22A rabbit pAb antibody

| Catalog No : | Source: | Concentration : | Mol.Wt. (kD): |
|--------------|---------|-----------------|---------------|
| A14370       | Rabbit  | 1 mg/ml         | 97 kD         |

|                       |                                                                                                           |
|-----------------------|-----------------------------------------------------------------------------------------------------------|
| Applications          | WB                                                                                                        |
| Reactivity            | Human                                                                                                     |
| Dilution              | WB 1:500-2000                                                                                             |
| Storage               | -20°C/1 year                                                                                              |
| Specificity           | This antibody detects endogenous levels of FA22A at Human                                                 |
| Source / Purification | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen. |
| Immunogen             | Synthesized peptide derived from human FA22A                                                              |
| Uniprot No            | Q8IVF1                                                                                                    |
| Alternative names     |                                                                                                           |
| Form                  | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                   |
| Clonality             | Polyclonal                                                                                                |
| Isotype               |                                                                                                           |
| Conjugation           |                                                                                                           |
| Background            |                                                                                                           |
| Other                 | Gene_name: FAM22A KIAA2020 ; Protein_name: FA22A; Expression:                                             |
