

## FoxO4 (phospho-Ser193) rabbit pAb antibody

| Catalog No :          | Source:   | Concentration : | Mol.Wt. (kD): |
|-----------------------|---|-----------------|---------------|
| A14732                | Rabbit  | 1 mg/ml         | 55 kD         |
| Applications          | WB  |                 |               |
| Reactivity            | Human   |                 |               |
| Dilution              | WB 1:1000-2000  |                 |               |
| Storage               | -20°C/1 year  |                 |               |
| Specificity           | This antibody detects endogenous levels of Human FoxO4 (phospho-Ser193)   |                 |               |
| Source / Purification | The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen.   |                 |               |
| Immunogen             | Synthesized phospho peptide around human FoxO4 (Ser193)   |                 |               |
| Uniprot No            | P98177  |                 |               |
| Alternative names     | Forkhead box protein O4 (Fork head domain transcription factor AFX1)  |                 |               |
| Form                  | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.   |                 |               |
| Clonality             | Polyclonal  |                 |               |
| Isotype               |   |                 |               |
| Conjugation           |   |                 |               |
| Background            | forkhead box O4(FOXO4) Homo sapiens This gene encodes a member of the O class of winged helix/forkhead transcription factor family. Proteins encoded by this class are regulated by factors involved in growth and differentiation indicating they play a r |                 |               |
| Other                 | Gene_name: FOXO4 AFX AFX1 MLLT7 ; Protein_name: FoxO4 (Ser193); Expression: Blood,Bone marrow,  |                 |               |
